

Daycare Child Release Form

Beacon Baptist Church Daycare wants to ensure the safety of your child. Parents must list all phone numbers in which you can be reached, as well as all persons to whom their child may be released. In the event of an emergency and someone other than the persons listed will be picking up your child, Raleigh Christian Academy **requires** the following information:

- 1) Full Name
- 2) Number where this person can be reached
- 3) Driver's license number

Only the parents/ guardian may call and confirm that someone else will be picking up their child. At the time the call is made, someone from the school will call back and confirm the information given is correct. If this cannot be done with our own correct phone numbers **beforehand**, the child **will not** be released to anyone not approved on this form.

When this person arrives, all information given by the parent will be verified. In the event any questionable or incorrect information has been given, the **child will not be released** to that person.

In the state of North Carolina, all children ages 16 and younger are required to wear a safety belt. **Beginning in January 2005, all children from newborns to age 8 (or weighing 80 pounds or less) are required to be in a safety child's seat. This seat must be placed in the back seat of the vehicle.** As parents, you have given us the responsibility of caring for your child. Therefore, **no child will be release to anyone who does not have the proper safety equipment in their vehicle.** A teacher will remain here with the child until the parent/ legal guardian arrives. **After 6:00PM late fees will be added to your child's account in the amount of \$7.00 for the first 10 min. and \$3.00 for each five-minute period thereafter.**
